3. Examination Entries

Qualifications

The qualifications offered at this centre are decided by the Senior Leadership Team.

The subjects offered for these qualifications in any academic year may be found in the centre's published prospectus for that year. If there has been a change of specification from the previous year, the Examinations Office must be informed by half term of the Autumn term.

Informing the Examinations Office of changes to a specification is the responsibility of the Heads of Department.

Decisions on whether a candidate should be entered for a particular subject will be taken in consultation with:

- Candidates, their Parents/carers
- SENDCo
- Subject Teachers
- Head of Year
- SLT with responsibility for Examinations

At Key Stage 4 and 5, all candidates are enabled to achieve an entry for qualifications from an external Awarding Body in qualifications that the school has prepared them for. Candidates are selected for their examination entries by the Heads of Department and subject teachers. Wallington High School for Girls will abide by government legislation regarding non-entry of students for educational reasons; in extreme circumstances a lack of attendance or non-completion of work could result in no exam entry being made. The final decision with regard to examination entries (including re-sits), tiers of entry and examination withdrawals, rests with the centre.

Examination seasons

Internal examinations are scheduled as follows:

Year 11 in November under formal examination conditions

Year 13 in the Spring term under formal examination conditions

Year 12 in May under formal examination conditions

Year 7 & 8 in May for classroom-based exams

Year 10 in June under formal examination conditions

External examinations are scheduled in accordance with the published examination timetable from the various Awarding Bodies. The Examinations Officer will circulate the examination timetable for both internal and external examinations once these are confirmed.

Private candidates and re-sits

We are unable to accept private candidates, with the following exceptions:

- GCSE English and Mathematics re-sits
- Year 14 re-sits
- Some 'home language' examinations

GCSE English and Mathematics re-sits will be available for eligible Year 12 students during the summer series following the GCSE results; criteria for which is decided by SLT. All fees and invigilation costs relating to these entries will be paid by the candidate. Entry forms, deadlines and fees will be available from the Exam Office at the beginning of September each year.

The school may accept re-sit entries from former students in Year 14 as private candidates. Former students pay all costs associated with the examination entry, including invigilation costs and adhere to all examination procedures.

Candidates in Year 9 and above may be permitted to enter for a 'Home Language' examination. Wallington High School for Girls can act as a host for the reading, timetabled writing, listening and speaking tests. The student must source their own examiner for any oral examinations; the examiner must be sufficiently experienced and evidence of their qualifications and suitability must be provided to the school. Private home language entries are at the discretion of the centre who will make a decision based on available resources and the candidate's circumstances. If approved, all fees and additional invigilation costs relating to these entries will be paid by the candidate.

We are unable to accept entries from private candidates for any qualifications that include a controlled assessment element.

Apart from 'home language' qualifications, we are unable to accept private entries for any subject not taught at Wallington High School for Girls. We are unable to accept private entries from current students for a subject taught at Wallington High School for Girls and studied privately, except in exceptional circumstances.

Examination fees

No charge will be made for a student's first entry to a prescribed public examination that is part of the curriculum on the school's set examination list, and for which the student has been prepared by the school.

See *GLT Charges & Remissions Policy 5 Examination Fees*

Late entry or amendment fees

Late entries or tier changes incur additional fees and are to be avoided wherever possible. They are authorised by Heads of Department who must account for them in writing. Departments will usually bear the costs of these. A copy of all paperwork concerning late entries must be retained by the Examinations Officer, Head of Department and the candidate.

Examination fee reimbursement will ordinarily be sought from candidates who:

- decide to sit an examination after the late entry/withdrawal deadline
- fail to sit an examination for which they have been entered
- do not meet the necessary NEA or coursework requirements without medical evidence or evidence of other mitigating circumstances.

4. Examination Days

Arrangements for Examination Days:

- The Examinations Officer will book all examination rooms after liaison with other users and make the question papers, other examination stationery and materials available for the invigilation team.
- The site team is responsible for setting up the allocated rooms as requested by the Exams Office.
- The lead invigilator will start all examinations in accordance with JCQ guidelines.
- In practical examinations subject teachers may be on hand in case of any technical difficulties.
- Examination papers will be distributed to Heads of Department once all candidates sitting that paper within the centre have finished the examination. This will usually be at the end of each day, unless any candidates have had a timetable alteration resulting in overnight supervision.

Invigilators

- External invigilators will be used for both internal and external examination supervision.
- Recruitment of invigilators is the responsibility of the Examinations Officer.
- Securing the necessary DBS clearance for new invigilators is the responsibility of HR.
- DBS fees for securing such clearance are paid by the centre.
- Invigilators are timetabled and briefed by the Examinations Office.
- Invigilators' rates of pay are set by the Head of Centre in consultation with the Governors.

Candidates

- WHSG's published rules on acceptable dress, behaviour and candidates' use of mobile phones and other electronic devices apply at all times.
- Candidates' personal belongings remain their own responsibility and WHSG accepts no liability for their loss or damage.
- Disruptive candidates are dealt with in accordance with JCQ guidelines.

Leaving the examination room

- Candidates may leave the examination room for a genuine purpose (e.g. toilet break) requiring an immediate return to the examination room, in which case a member of invigilation staff must accompany them.
- Candidates will not be allowed extra time to compensate for their temporary absence unless this is specified in their access arrangement
- For examinations which are less than one hour, candidates will not be allowed to leave the examination hall until one hour after the published start time.

Candidate Identification

The identity of students on roll at Wallington High School for Girls is checked as part of the initial admissions and enrolment process. Invigilators are able to establish the identity of all candidates sitting examinations by checking the candidate desk cards which include a current photograph (created in Year 7 and updated in Years 10 and 12), candidate name and number.

Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, invigilators will advise the Exams Officers who will arrange for the candidate to be seen by a member of staff of the same gender and taken to a private room where they will be asked to remove the religious clothing for identification purposes.

Only Year 14 or current students are accepted as private candidates. Their identity is confirmed against the candidate's exam desk card.

Late arrivals

A candidate will be considered late if they arrive after the start of the examination and (for an examination which lasts an hour or more) up to 10:00am for a morning examination or up to 2:30pm for an afternoon examination.

A candidate will be considered very late if they arrive:

- more than one hour after the awarding body's published starting time for an examination which lasts one hour or more, i.e. after 10am for a morning examination or after 2:30pm for an afternoon examination
- or after the awarding body's published finishing time for an examination that lasts less than one hour

Wallington High School for Girls reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination.

The following procedures are in place in relation to candidates who arrive late to examinations:

- a candidate who arrives after the start of the examination may be allowed to enter the examination room and sit the examination
- a candidate who arrives late, and is permitted to sit the examination, will be allowed the full time for the examination
- a candidate who is very late (arrives on hour after the published start time) may be allowed to sit the paper, but will be advised that the awarding body may not accept the paper
- centre staff will, wherever possible, try to ensure late candidates are under supervision within an hour of the published start time. This may involve a member of staff meeting the student off-site.

Candidates who realise they will be late for an examination must contact the Examinations Officer immediately and must not attempt to communicate with any other person. Upon arrival at school they must wait at Reception and ask the Receptionist to make the Examinations Officer aware of their arrival. The Examinations Officer has the final decision as to whether the candidate may sit the examination.

The Examinations Officer will train invigilators of the process for dealing with candidates who arrive late and will provide an exam room incident log for invigilators to record relevant information relating to candidates who arrive late. Invigilators will ensure candidates who arrive late are given the required instructions prior to starting the examination without disturbing other candidates and will record relevant information on the exam room incident log.

Candidate Absence

A candidate will be considered absent from an examination if they are not present once candidates are seated in the examination room. Once a candidate is identified as absent, the Attendance Officer will attempt to contact the candidate and as far as possible arrangements made to ensure their immediate arrival.

If a candidate fails to sit an examination, their absence is clearly recorded on the attendance register which is sent to the examiner/marker and on the seating plan by crossing through the candidate details.

Candidates who fail to turn up for an examination will be charged for the examination. The Examinations Officer is responsible for completing and despatching the paperwork to withdraw the candidate and for informing the Head of Department and Finance. It is the responsibility of the Head of Year and SLT (Examinations) to deal with candidates who are persistently absent from examinations.

If a candidate is absent from a timetabled written examination for an acceptable reason, the candidate may be eligible for special consideration; *see section 6*

Clash candidates

The Examinations Officer will be responsible as necessary for identifying clash candidates and making necessary arrangements in accordance with JCQ regulations.

When candidates are entered for two examinations timetabled for the same session and the total duration for those papers exceed the published JCQ guidance, candidates may, at the centre's discretion, be allowed to take an examination earlier/later that day. Candidates will be under supervision between papers.

When candidates are entered for multiple examinations (three or more examinations) timetabled for the same day and the total duration for those papers exceed the published JCQ guidance, candidates may, at the centre's discretion, be allowed to take an examination the following morning, including Saturdays.

Overnight supervision arrangements will only be applied as a last resort and once all other options have been exhausted. The candidate and their parent/carer will be asked to attend a meeting with a member of SLT (Examinations) who will explain the overnight supervision arrangements. The candidate and their parent/carer will be asked to sign to acknowledge they have understood the school arrangements and JCQ regulations, including the penalties associated with any known or suspected contravention of the arrangements. They will also be required to sign the JCQ Overnight Supervision Declaration.

5. Coursework/non-examined assessments (NEA)

Candidates who have to prepare portfolios should do so by the end of the course or the date defined by WHSG.

Heads of Department are responsible for informing candidates of their internally assessed marks prior to these being submitted to the Awarding Body.

Heads of Department will ensure that all internal assessment marks are submitted to the Awarding Body by the deadline and samples for moderations are dispatched in accordance with guidelines set out by the Awarding Body and by the deadline as defined by the Awarding Body. The Examinations Officer will assist by keeping a record of each dispatch, including the recipient details and the date and time sent.

Post-completion, Heads of Department must retain candidates' work securely until the closing date for enquiries about results. In the event that an enquiry is submitted, they must retain candidates' work securely until the outcome of the enquiry and any subsequent appeal has been conveyed to the centre. Work can only be returned to candidates when instructed by the Examinations Officer. Samples returned from moderators will be logged and securely stored by the Examinations Office, who will inform Heads of Department when they can collect them.

Appeals against Coursework/NEA process

See Appendix 3 Reviews of marking – centre-assessed marks

6. Post-examination processes

Special Consideration

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control at the time of the assessment. Candidates will be eligible for special consideration if they have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examined assessment, is materially affected by adverse circumstances beyond their control. Special consideration must be applied for at the time of the assessment. Candidates **will not** be eligible for special consideration if preparation for, or performance in the examination is affected by the reasons detailed in the JCQ publication *A guide to the special consideration process*, including (but not limited to):

- Long term illness or other difficulties during the course affecting revision time
- Bereavement occurring more than six months before the assessment
- Domestic inconvenience
- Minor disturbance in the examination room caused by another candidate
- The consequences of disobeying the centre's internal regulations
- Quality of teaching, staff shortages, building work or lack of facilities
- Misreading the timetable and/or failing to attend at the right time and in the right place
- Failure by the centre to process access arrangements by the published deadline

The Head of Year, SENDCO and First Aiders are responsible for ensuring that the Examination Officer is aware of students who need Special Consideration. Should a candidate be too ill to sit an examination, suffer bereavement, trauma or be taken ill during the examination itself, it is the candidate's responsibility to alert the school, or the examination invigilator, to that effect.

Any special consideration claim must be supported by appropriate evidence within three days of the examination (e.g. a letter from the candidate's doctor). The Examinations Officer will then submit a special consideration application to the relevant Awarding Body by the published deadline (within seven days of the candidate's last examination of the series).

Results

Candidates will collect their individual result slips on results days in person at WHSG at the designated time. Candidates who are unable to attend must give written permission for a third party to collect them and the third party must bring photographic ID on the day. Uncollected results slips will be posted after 1pm on results days to a student's home address as recorded on SIMS.

Arrangements for the school to be open on results days are made by the Examinations Officer in consultation with SLT. Access to appropriate centre staff immediately after publication of results is the responsibility of the Head of Centre. Candidates will be informed of the periods during which centre staff are available

Reviews of Results (RoRs)

Wallington High School for Girls will offer the following RoRs:

- Clerical re-check
- Review of marking
- Priority review of marking (this service is only available for externally assessed components of A Level specifications)
- Review of moderation (this service is not available to an individual candidate)

Candidates will be made aware of the arrangements for post-results services by information provided in results envelopes and emails to students. Candidates will be charged for RoRs; should the Awarding Body uphold the query, the candidate will be reimbursed the Awarding Body fee.

All post-results services requests must be made by the candidate by completing an MS Form and making payment via ParentPay, which will include providing their written consent.

RoRs may be requested by the Head of Department if there are reasonable grounds for believing there has been an error in marking. The candidate's written consent (email) is required before a RoR application can be made. Where departments request a RoR the cost will be deducted from department capitation.

Appeals

The appeals process is only available after receiving the outcome of a review of results. Any request for an appeal will be submitted in accordance with the JCQ publication **A guide to awarding bodies' appeals processes**. Appeals for internal candidates must be submitted by the head of centre; a private candidate may submit an application for an appeal directly to an awarding body. An appeal will only be considered if either:

- A marking or moderation (or a review of marking/moderation) error has occurred; or
- The awarding body did not apply its procedures consistently, properly or fairly.

The final decision as to whether to submit an appeal rests with the centre.

If a candidate disagrees with the centre's decision not to apply for special consideration or a post-results service, they may submit a written appeal to the head of centre within five working days, outlining their reasons and providing any supporting evidence. The appeal will be reviewed, and a written outcome will be provided. If the candidate remains dissatisfied, they may escalate the matter in accordance with the centre's complaints procedure.

Access to Scripts

Departments may request scripts for investigation or for teaching purposes. Departments who wish to recall examination scripts for their own use must get the candidates' written permission, email will suffice. This permission must only be sought after the candidates have received their results.

In some cases, Wallington Girls will accept requests for access to scripts from candidates in order to help inform candidate's decisions regarding post result services. The decision as to whether to put in for access to scripts on behalf of a student rests with SLT. Candidates must pay for access to scripts requests.

Certificates

Certificates are presented to students at the GCSE Prizegiving & Year 14 Certificate Collection evening. A member of SLT signs for any certificate collected at Prizegiving and the candidate will sign to acknowledge receipt at any other collection arrangement.

Certificates can be collected in person from the Examinations Office after these events. If the candidate is unable to collect in person they can be collected on behalf of a candidate by third parties, provided written authorisation has been supplied by the candidate to do so. Third parties must bring photographic ID.

The centre retains certificates for 12 months. The Examinations Office will write to all students who have not collected their certificates within 12 months of the school having issued them asking them to

make arrangements to collect the certificates. Certificates which are not collected will be archived for up to four years and then destroyed by a secure method. A record of all certificates destroyed will be kept for a further period of four years from the date of destruction, in accordance with JCQ and Awarding Body guidelines.

7. Examination Compliance

Conflicts of Interest

An electronic Conflict of Interest Form is sent to all staff by the Examinations Officer(s) during the Autumn term and must be completed by everyone (including nil returns) by the end of January. A Conflict of Interest Log is maintained, with measures taken to manage the risk recorded. Where appropriate, awarding bodies will be informed by the Exams Officers to notify them of the conflict and the measure put in place. The Exams Office will retain the records of the measures taken to mitigate any potential risk until the deadline for reviews of marking has passed or until any appeal., malpractice or other results enquiry has been completed, whichever is later.

Child Protection and Safeguarding (Exams)

Safeguarding and promoting the welfare of children is everyone's responsibility. With regards to examinations, the following responsibilities apply:

Designated safeguarding lead (DSL) will take lead responsibility for child protection and safeguarding in relation to examinations and assessments. The DSL will offer advice, support and expertise in all matters relating to child protection and safeguarding in relation to examinations and assessments etc.

Exams officer will support the DSL as directed, and undertake all relevant training and provide opportunities and organise for invigilators to undertake the relevant training.

Invigilators will undertake training as directed by the DSL, report child protection and safeguarding issues/concerns in line with centre policy, etc.

All exams staff at Wallington High School for Girls are made aware of the good practice guidelines and staff code of conduct in relation to child protection and safeguarding.

They are informed and updated on the contents of the centre Child Protection and Safeguarding Policy, KCSIE and any other relevant Child Protection updates by an annual in-person training session. Invigilators also receive the regular safeguarding bulletin.

Where staff are engaged in invigilation/facilitation and/or centre supervision on a one-to one basis with a candidate the following protocols should be followed.

Summoning immediate assistance in case of any concern

Where possible a roving invigilator will be placed outside the room in case of emergency or if a student requires a toilet or movement break. If this is not possible, the invigilator working on their own with a student(s) will be given a walkie-talkie in order to contact the Exams Officer. If student requires pastoral care, the invigilator will walk the student to the green room to see one of the Pastoral team. If a student requires medical assistance, they will be escorted to the first aid room.

Please see GLT Child Protection and Safeguarding Policy

Whistleblowing (Exams)

Wallington High School for Girls is committed to maintaining the highest standards of openness, probity and accountability in the school. In support of this commitment, employees who have concerns about the conduct of examinations at the school are encouraged to come forward and voice those concerns.

If a member of centre staff involved in the management, administration and/or conducting of examinations (such as exams officer or invigilator), a student or a member of the public (such as a parent/carer) has a concern or reason to believe that malpractice has or will occur in an examination or assessment, concerns should normally be raised initially with the Head of Centre (Headteacher). However, there may be times when it may be more appropriate to refer the issue direct to the governing board or another contact within the Trust (see Contact List in Appendix 1 of the GLT Whistleblowing Policy), most often when the allegation is against the Head of Centre.

Concerns should be raised in writing and should set out the background and history of the concern, giving names, dates and places where possible and the reason why the whistleblower is concerned about the situation. A whistleblower who does not feel able to put their concerns in writing can contact an appropriate person from the Contact List in Appendix 1 of the GLT Whistleblowing Policy.

If the individual does not feel safe raising the issue/reporting malpractice within the centre, or they have done so and are concerned that no action has been taken, that individual could consider making their disclosure to a malpractice expert at the awarding body for the qualification where malpractice is suspected.

Please see GLT Whistleblowing Policy

Data Protection (Exams)

The delivery of examinations and assessments involve centres and awarding bodies processing a significant amount of personal data (i.e. information from which a living individual might be identified).

Candidates' exams-related data may be shared with third parties for the following purposes:

- to publish the results of public examinations or destination data
- to provide information to another educational establishment to which a student is transferring
- to provide information to an examination authority as part of the examinations process (e.g. JCQ, Awarding Bodies, DfE)
- to provide education and/or curriculum related on-line and IT services through third parties (such as 'MyMaths' on-line teaching tools, Mint Class)

At the point of entry for examinations, the centre also brings to the attention of candidates the annually updated JCQ document *Information for candidates – Privacy Notice* which explains how the JCQ awarding bodies process their personal data in accordance with the DPA 2018 and UK GDPR (or law relating to personal data in any jurisdiction in which the awarding body or centre are operating).

Candidates eligible for access arrangements which require awarding body approval using Access arrangements online are also required to provide their consent by signing the GDPR compliant *JCQ candidate personal data consent form* before approval applications can be processed online.

Please see GLT Data Protection & FOI Policy

Malpractice

In this policy, 'malpractice' is used to cover both 'malpractice' and 'maladministration' as defined in JCQ regulations.

In accordance with the regulations, Wallington High School for Girls will take all reasonable steps to prevent the occurrence of any malpractice (including maladministration) before, during and after examinations have taken place. We will inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation. As required by an awarding body, we will gather evidence in accordance with JCQ regulations and provide such information and advice as the awarding body may reasonably require.

Wallington High School for Girls has robust processes to prevent and identify malpractice, including ensuring that staff involved in the delivery of assessments and examinations understanding the requirements as set out in the JCQ regulations.

Candidates are informed of the regulations through the '*Information for students*' which is distributed before some internal examination and all public examination periods. They are also given a briefing by SLT as to how to avoid committing malpractice in examinations and assessments.

AI misuse is where a student has used one or more AI tools but has not appropriately acknowledged this use and has submitted work for assessment when it is not their own. Examples of AI misuse include, but are not limited to, the following:

- Copying or paraphrasing sections of AI-generated content so that the work submitted for assessment is no longer the student's own
- Copying or paraphrasing whole responses of AI-generated content
- Using AI to complete parts of the assessment so that the work does not reflect the student's own work, analysis, evaluation or calculations
- Failing to acknowledge use of AI tools when they have been used as a source of information
- Incomplete or poor acknowledgement of AI tools
- Submitting work with intentionally incomplete or misleading references or bibliographies

Where AI tools have been used as a source of information, a student's acknowledgement must show the name of the AI source used and should show the date the content was generated.

The student must, retain a copy of the question(s) and computer-generated content for reference and authentication purposes, in a non-editable format (such as a screenshot) and provide a brief explanation of how it has been used. This must be submitted with the work the student submits for assessment.

Misuse of AI will be dealt with in accordance with suspected malpractice procedures, in accordance with JCQ regulations and may attract severe sanctions.

If suspected malpractice is identified, any member of staff at the centre can report it to the member of SLT with responsibility for Exams, or to the Head of Centre directly. The Head of Centre will notify the appropriate awarding body immediately of all alleged, suspected or actual incidents of malpractice and will conduct any investigation and gathering of evidence in accordance with JCG regulations.

Malpractice by a candidate discovered in a controlled assessment, coursework or non-examination assessment component prior to the candidate signing the declaration of authentication will be dealt with in accordance with the centre's internal procedures.

In the case of an awarding body confirming malpractice, Wallington High School for Girls will provide the individual with information on the process and time frame for submitting an appeal, where relevant.

Receiving Exam Board Parcels

- All parcels and packages received from an Exam Board or Awarding Body must be recorded in the folder left in Reception, either by the Receptionist or whoever is on Reception duty.
- Reception must contact the Exams Office immediately to collect and sign for the packages.
- If the Exams Office is unmanned then Reception must contact the Headteacher's PA.
- All packages must then be taken from Reception and locked into the Exams' secure storage. They should not be left in the Exams Office.
- If parcels are signed for, taken and locked into the Exams' secure storage by anyone other than a member of the Exams team it is that person's responsibility to email the Exams team and let them know that the parcels have been received and locked away.
- If the parcels are heavy, site staff should be contacted to assist in moving the parcels to the Exams' secure storage, accompanied by either a member of the Exams team or the Headteacher's PA.
- Keys to the Exams' secure storage are held by the Exams team and a spare set with the Headteacher's PA.

Wallington High School for Girls

Exams Contingency Plan

This plan examines potential risks and issues that could cause disruption to the exams process at Wallington High School for Girls. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by the *Exam system contingency plan: England, Wales and Northern Ireland* which provides guidance in the publication *What schools and colleges and other centres should do if exams or other assessments are seriously disrupted*, the *JCQ Joint Contingency Plan* and *Preparing for disruption to examinations*.

This plan also confirms **Wallington High School for Girls** is compliant with the JCQ regulation (5.3 Centre management) that the centre *has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence.*

Possible causes of disruption to the exam process

1. Exam officer extended absence at key points in the exam process (cycle)

Criteria for implementation of the plan (risks):

Key tasks required in the management and administration of the exam cycle not undertaken including:

Planning:

- annual data collection exercise not undertaken to collate information on qualifications and awarding body specifications being delivered
- annual exams plan not produced identifying essential key tasks, key dates and deadlines
- sufficient invigilators not recruited

Entries:

- awarding bodies not being informed of early/estimated entries which prompts release of early information required by teaching staff
- candidates not being entered with awarding bodies for external exams/assessment
- awarding body entry deadlines missed or late or other penalty fees being incurred

Pre-exams:

- invigilators not trained or updated on changes to instructions for conducting exams
- exam timetabling, rooming allocation; and invigilation schedules not prepared
- candidates not briefed on exam timetables and awarding body information for candidates
- confidential exam/assessment materials and candidates' work not stored under required secure conditions
- internal assessment marks and samples of candidates' work not submitted to awarding bodies/external moderators

Exam time:

- exams/assessments not taken under the conditions prescribed by awarding bodies
- required reports/requests not submitted to awarding bodies during exam/assessment periods, for example very late arrival, suspected malpractice, special consideration
- candidates' scripts not dispatched as required for marking to awarding bodies

Results and post-results:

- access to examination results affecting the distribution of results to candidates
- the facilitation of the post-results services

Centre actions to mitigate the impact of the disruption

- WHSG Exams Office has one Exams Officer and one Exams Assistant. In the event of the Exams Officer being absent, the Exams Assistant would be asked to take on additional hours, overseen by the member of SLT with responsibility for examinations.
- In the event of both Exams Officers being unavailable, the Exams Officer from Nonsuch High School for Girls (NHSG) or Carshalton High School for Girls (CHSG) will oversee the Exam Office function at WHSG with support from SLT and pre-identified Lead Invigilators with appropriate skills and knowledge.

2. SENDCo extended absence at key points in the exam cycleCriteria for implementation of the plan (risks):**Planning:**

- candidates not tested/assessed to identify potential access arrangement requirements
- centre fails to recognise its duties towards disabled candidates as defined under the terms of the Equality Act 2010
- evidence of need and evidence to support normal way of working not collated

Pre-exams:

- approval for access arrangements not applied for to the awarding body
- centre-delegated arrangements not put in place
- modified paper requirements not identified in a timely manner to enable ordering to meet external deadline
- staff (facilitators) providing support to access arrangement candidates not allocated and trained

Exam time:

- access arrangement candidate support not arranged for exam rooms

Centre actions to mitigate the impact of the disruption

Wallington High School for Girls has an Assistant SENDCo who has previously undertaken the role of SENDCo. In the event of the SENDCo being absent, the Assistant SENDCo would be asked to take on additional responsibilities, supported by their SLT line manager and the Inclusion Assistant.

3. Teaching staff extended absence at key points in the exam cycleCriteria for implementation of the plan (risks):

Key tasks not undertaken including:

- Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received

- Final entry information not provided to the exams officer on time; resulting in candidates not being entered for exams/assessments or being entered late, and/or late or other penalty fees being charged by awarding bodies
- Non-examination assessment tasks not set/issued/taken by candidates as scheduled
- Candidates not being informed of centre assessed marks before marks are submitted to the awarding body and therefore not being able to consider appealing internal assessment decisions and requesting a review of the centre's marking
- Internal assessment marks and candidates' work not provided to meet awarding body submission deadlines

Centre actions to mitigate the impact of the disruption

- Line manager of absent member of staff to perform function

4. Invigilators - lack of appropriately trained invigilators or invigilator absence

Criteria for implementation of the plan (risks):

- Failure to recruit and train sufficient invigilators to conduct exams
- Invigilator shortage on peak exam days
- Invigilator absence on the day of an exam

Centre actions to mitigate the impact of the disruption:

- Regular recruitment drives to increase the pool of invigilators
- Use of cover supervisors, and teachers as a last resort, in the event of an emergency.

5. Exam rooms - lack of appropriate rooms or main venues unavailable at short notice

Criteria for implementation of the plan (risks):

- Exams officer unable to identify sufficient/appropriate rooms during exams timetable planning
- Insufficient rooms available on peak exam days
- Main exam venues unavailable due to an unexpected incident at exam time

Centre actions to mitigate the impact of the disruption:

- Move timetabled lessons from possible exam venues
- Prioritise the rooming of exams over other school activities

6. Failure of IT systems

Criteria for implementation of the plan (risks):

- IT system corruption affecting candidates' work
- MIS system failure at final entry deadline
- MIS system failure during exams preparation
- MIS system failure at results release time

Centre actions to mitigate the impact of the disruption:

- Make arrangements for Examinations Officer to work at another site in the Girls' Learning Trust
- Follow IT critical incident management plans
- Back-ups are made of student work, including nightly back-ups of the server so that work can be recovered

7. Cyber-attack

Criteria for implementation of the plan (risks):

- Where a cyber attack may compromise any aspect of delivery

Centre actions to mitigate the impact of the disruption:

- Revert to Critical Incident Management Plan

8. Emergency evacuation of the exam room (or centre lock down)

Criteria for implementation of the plan (risks):

- Whole centre evacuation (or lock down) during exam time due to serious incident resulting in exam candidates being unable to start, proceed with or complete their exams

Centre actions to mitigate the impact of the disruption:

- Refer to Exams Evacuation Plan (*Appendix 4*) or Exams Lockdown Procedure (*Appendix 5*)
- Contact the relevant awarding body as soon as possible and follow its instructions
- Where accommodation is limited, prioritise candidates whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned
- consider whether any candidate's ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply for special consideration

9. Disruption of teaching time – centre closed for an extended period

Criteria for implementation of the plan (risks):

- Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning

Centre actions to mitigate the impact of the disruption:

- Recognise it is the responsibility of the centre to prepare students, as usual, for examinations and will therefore facilitate alternative methods of learning, such as remote learning
- Communicate with candidates, parents and carers information relating to alternative methods of learning
- Take advice offered by the awarding body regarding alternative arrangements for conducting examinations that may be available
- Take advice offered by the awarding body on the options for candidates who have not been able to take scheduled examinations
- Advise candidates, where appropriate, of the opportunities to take their exam or assessment at a later date

10. Candidates unable to take examinations because of a crisis – centre remains open

Criteria for implementation of the plan (risks):

- Candidates are unable to attend the examination centre to take examinations as normal

Centre actions to mitigate the impact of the disruption:

- Take advice offered by the awarding body on the options for candidates who have not been able to take scheduled examinations
- Discuss alternative arrangements with the awarding body if a candidate misses an exam or loses their assessment due to an emergency, or other event, outside of the candidate's control
- Identify whether the exam or timetabled assessment can be sat at an alternative venue such as another school in the Girls' Learning Trust, in agreement with the relevant awarding body, ensuring the secure transportation of question papers or assessment materials to the alternative venue
- Communicate with candidates, parents and carers any changes to the exam or assessment timetable or to the venue
- consider whether any candidate's ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply for special consideration

11. Centre unable to open as normal during the exams period (including in the event of the centre being unavailable for examinations owing to an unforeseen emergency)

Criteria for implementation of the plan (risks):

- Centre unable to open as normal for scheduled examinations

Centre actions to mitigate the impact of the disruption:

- Take advice or follow instructions, from relevant local or national agencies in deciding whether the centre is able to open
- Contact the relevant awarding body as soon as possible and follow its instructions
- Identify whether the exam or timetabled assessment can be sat at an alternative venue such as another school in the Girls' Learning Trust, in agreement with the relevant awarding body, ensuring the secure transportation of question papers or assessment materials to the alternative venue
- Discuss alternative arrangements with the awarding body if the exam or assessment cannot take place and follow their guidance
- Where accommodation is limited, prioritise candidates whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned
- communicate with candidates (and where appropriate, parents/carers) any changes to the exam or assessment timetable or to the venue
- consider whether any candidate's ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply for special consideration
- **Alternative site(s) details:**
 - a. Carshalton High School for Girls, West Street, Carshalton, SM5 2QX
 - b. Nonsuch High School for Girls, Ewell Road, Sutton, SM3 8AB

12. Disruption in the distribution of examination papers

Criteria for implementation of the plan (risks):

- Disruption to the distribution of examination papers to the centre in advance of examinations

Centre actions to mitigate the impact of the disruption:

- Liaise with awarding bodies regarding the provision of electronic access to examination papers via a secure external network, ensuring that when copies are received/made these are stored under secure conditions
- Follow guidance provided by the awarding body on the conduct of examinations in such circumstances
- Understand that, as a last resort, and in close collaboration with centres and regulators, awarding organisations will consider scheduling of the examination on an alternative date
- Communicate with candidates, parents and carers any changes to the exam or assessment timetable or to the venue

13. Disruption to the transportation of completed examination scripts

Criteria for implementation of the plan (risks):

- Delay in normal collection arrangements for completed examination scripts

Centre actions to mitigate the impact of the disruption:

- where examinations are part of the national 'yellow label' service or where awarding bodies arrange collections, centres should contact the relevant awarding bodies for advice and instructions.
- for examinations where centres make their own collection arrangements, they should investigate alternative options that comply with the JCQ regulations
- completed scripts must be stored securely until they are collected.

14. Assessment evidence is not available to be marked

Criteria for implementation of the plan (risks):

- Large scale damage to or destruction of completed examination scripts/assessment evidence before it can be marked
- Completed examination scripts/assessment evidence does not reach awarding organisations

Centre actions to mitigate the impact of the disruption:

- Liaise with the awarding body to determine if candidate marks for affected assessments may be able to be generated based on other appropriate evidence of candidate achievement as defined by the awarding body
- Where marks cannot be generated by awarding body, inform candidates they may need to retake the affected assessment in a subsequent assessment series

15. Centre unable to distribute results as normal (including in the event of the centre being unavailable on results day owing to an unforeseen emergency)

Criteria for implementation of the plan (risks):

- Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services

Centre actions to mitigate the impact of the disruption:

- Examination results can be sent electronically to candidates
- Utilise other sites within the Girls' Learning Trust to facilitate post-results services
- Inform candidates of any alternative arrangements in place for the distribution of results and post-results services

Ofqual guidance extract taken directly from the **Exam system contingency plan: England, wales and Norethern Ireland – what schools and colleges and other centres should do if exams or other assessments are seriously disrupted** (last updated October 2023) [What schools, colleges and other centres should do if exams or other assessments are seriously disrupted - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/what-schools-colleges-and-other-centres-should-do-if-exams-or-other-assessments-are-seriously-disrupted)

“This document was updated in October 2023 to include Ofqual’s final decisions on long-term resilience arrangements, and the Department for Education (DfE)’s guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC).

In addition to this guidance, you will need to be aware of your specific responsibilities for local and national school preparations and contingencies. You should also follow advice from relevant public health bodies.

Contingency planning

Awarding organisations are required to establish, maintain and comply with an up-to-date detailed written contingency plan, to mitigate any incident they have identified may occur. This includes having communication plans for external parties (Ofqual General Condition of Recognition A6). Schools and colleges should also be prepared for possible disruption to exams and assessments and make sure staff are aware of these plans.

Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises. You should discuss alternative arrangements with your awarding organisation if:

- *the exam or assessment cannot take place*
- *a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student’s control*

You may also wish to see the JCQ’s notice to centres on exam contingency plans and JCQ’s notice on preparing for disruption to examinations in England, Wales and Northern Ireland, for qualifications within its scope.

Steps you should take

Exam planning

Review your contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation’s requirements.

Schools, colleges and other exam centres must speak to the relevant awarding organisations as soon as possible if they are expecting any disruption that might affect the sitting of exams and assessments.

In the event of disruption:

- 1. Contact the relevant awarding organisation promptly and follow its instructions.*
- 2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.*
- 3. Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of question papers or assessment materials to the alternative venue.*
- 4. Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.*
- 5. In the event of an evacuation during an examination please refer to JCQ's Centre emergency evacuation procedure.*
- 6. Communicate with students, parents and carers any changes to the exam or assessment timetable or to the venue.*
- 7. Communicate with any external assessors, invigilators or relevant third parties regarding any changes to the exam or assessment timetable*

After the exam:

- 1. Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply to the relevant awarding organisation for special consideration.*
- 2. Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.*
- 3. Ensure that scripts are stored under secure conditions.*
- 4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.*

Wider communications

The regulators, Ofqual in England, Qualifications Wales in Wales and CCEA Regulation in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The DfE in England, the Department of Education in Northern Ireland, and the Welsh Government will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption, and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the Universities and Colleges Admissions Service (UCAS) and the Central Applications Office (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

Widespread national disruption to the taking of examinations or assessments

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for examinations and assessments, including exam timetables.

In September 2023, Ofqual and the DfE published joint consultation decisions on long-term resilience arrangements. As in 2023, Ofqual has provided guidance on collecting evidence of student performance to ensure resilience in the qualifications system for students entering GCSEs, AS and A levels, the Advanced Extension Award and Project qualifications. For VTQs and other qualifications used alongside or instead of GCSEs, AS and A levels, awarding organisations will provide guidance where needed and will contact schools and colleges with more information.

In December 2022, Qualifications Wales published guidance for contingency assessment arrangements for GCSEs, AS and A levels and Skills Challenge Certificates in the event that a national decision is made to cancel exams. This guidance is still relevant for the current academic year.

The DfE has updated its guidance on handling strike action in schools in England in light of the industrial action in 2023. The guidance recommends schools should prioritise the running of examinations and assessments on any strike days, and should review their contingency plans to make this happen. Schools, colleges and other exam centres must speak to the relevant awarding organisations if they are expecting any disruption that might affect the sitting of exams and assessments.

The DfE has also issued guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC) in their buildings. It includes the need for contingencies for possible disruption to examinations and links to the existing emergency planning guidance.

CQ

15.1 The qualification regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates. Further information may be found at: [Exam system contingency plan: England, Wales and Northern Ireland - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/exam-system-contingency-plan-2023)

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exam officers who are facing disruption liaise directly with the relevant awarding body/bodies.

15.3 All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency. All

relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate 'contingency sessions' for examinations, summer 2025. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland: [Exam system contingency plan: England, Wales and Northern Ireland - GOV.UK \(www.gov.uk\)](http://www.gov.uk). The designation of 'contingency sessions' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations. In the event of national disruption to a day of examinations in summer 2025, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body. Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of the contingency arrangements so that they take them into account when making their plans for the summer.

15.7 In the event that there is national disruption to a day of examinations in summer 2025, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it was agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the re-scheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

15.8 Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of the contingency arrangements so that they may take them into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course."

Wallington High School for Girls

Reviews of marking – centre-assessed marks (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments and Project qualifications)

Wallington High School for Girls is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. **Wallington High School for Girls (WHSG)** is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of their work, or that the assessor has not properly applied the marking standards to their marking, then they may make use of the appeals procedure below to consider whether to request a review of the centre's marking.

1. **WHSG** will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. **WHSG** will inform candidates that they may request copies of materials (generally as a minimum, a copy their marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment.
3. **WHSG** will inform candidates they will not be allowed access to original assessment material unless supervised
4. **WHSG** will, on receipt of a request for copies of materials, promptly make them available to the candidate.
5. **WHSG** will allow candidates sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
5. **WHSG** will provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests **must** be made in writing using the Review of Internally Marked Assessment Request Form 2025, available from the Exams Office.

6. **WHSG** will ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
7. **WHSG** will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
8. **WHSG** will inform the candidate in writing of the outcome of the review of the centre's marking.
9. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

Exams Emergency Evacuation

When is an emergency evacuation required?

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

Emergency evacuation of an exam room

Roles and responsibilities

Head of centre

- Ensures the emergency evacuation policy for exams is fit for purpose and complies with relevant health and safety regulation
- Ensures any instructions from relevant local or national agencies are referenced and followed where applicable, including information from the National Counter Terrorism Security Office on the *Procedures for handling bomb threats*
<https://www.gov.uk/government/publications/bomb-threats-guidance/procedures-for-handling-bomb-threats>
- Where safe to do so, ensures candidates are given the opportunity to sit exams for their published duration

Senior leader

- Where responsible for the centre-wide emergency evacuation procedure, ensures all staff and appointed fire marshals are aware of the policy and procedures to be followed when an emergency evacuation of an exam room is required

Special educational needs coordinator (SENDCo)

- Ensures appropriate arrangements are in place for the emergency evacuation of a disabled candidate from an exam room where different procedures or assistance may need to be provided for the candidate
- Ensures the candidate is informed prior to taking their exams of what will happen in the event of an emergency evacuation

Exams officer

- Ensures invigilators are trained in emergency evacuation procedures and how an incident and actions taken must be recorded

- Ensures candidates are briefed (*Candidate exam handbook*), prior to exams taking place, on what will happen in the event of an emergency in the exam room
- Provides invigilators with a copy of the emergency evacuation procedure for every exam room
- Provides a standard invigilator announcement for each exam room which includes appropriate instructions for candidates about emergency procedures and what will happen if the fire alarm sounds
- Provides an exam room incident log in each exam room
- Liaises with the SENDCo and other relevant staff prior to each exam where different procedures or assistance may need to be provided for a disabled candidate
- Briefs invigilators prior to each exam where different procedures or assistance may need to be provided for a disabled candidate
- Ensures appropriate follow-up is undertaken after an emergency evacuation reporting the incident to the awarding body and the actions taken through the *special consideration* process where applicable (in cases where a group of candidates have been disadvantaged by a particular event)

Invigilators

- By attending training and/or update sessions, ensure they understand what to do in the event of an emergency in the exam room
- Follow the actions required in the emergency evacuation procedure issued to them for every exam room
- Confirm with the exams officer, where different procedures or assistance may need to be provided for a disabled candidate they are invigilating
- Record details on the exam room incident log to support follow-up reporting to the awarding body by the exams officer (see below)

Other relevant centre staff

- Support the senior leader, SENDCo, exams officer and invigilators in ensuring the safe emergency evacuation of exam rooms

Recording details

As soon as practically possible and safe to do so, details should be recorded. Details must include:

- the actual time of the start of the interruption
- the actions taken
- the actual time the exam(s) resumed
- the actual finishing time(s) of the resumed exam(s)

Further details could include

- report on candidate behaviour throughout the interruption/evacuation
- a judgement on the impact on candidates after the interruption/evacuation

Emergency evacuation procedure

Invigilators are trained in this procedure and understand the actions they must take in the event of a fire alarm or other emergency that leads to an evacuation of the exam room.

Emergency evacuation procedure

Actions to be taken (as detailed in current JCQ [Instructions for conducting examinations](#) section 25, **Emergencies**)

Stop the candidates from writing

Collect the attendance register (in order to ensure all candidates are present)

Evacuate the examination room in line with the instructions given by the appropriate authority

Advise candidates to leave all question papers and scripts in the examination room

Candidates should leave the room in silence

Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination

Make a note of the time of the interruption and how long it lasted

Allow the candidates the full working time set for the examination

If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination

Make a full report of the incident and of the action taken, and send to the relevant awarding body

Additional centre-specific actions to be taken

Appendix 6

Wallington High School for Girls

Exams Lockdown procedure

A lockdown may be required in the following situations:

- ✓ an incident or civil disturbance in the local community which poses a risk
- ✓ an intruder on the site with the potential to pose a risk
- ✓ local risk of air pollution, such as a smoke plume or gas cloud
- ✓ a major fire in the vicinity
- ✓ a dangerous animal roaming loose
- ✓ any other external or internal incident which has the potential to pose a threat to the safety of exams staff and candidates

Wallington High School for Girls has devised lockdown procedures after consulting GOV.UK's [Developing Dynamic Lockdown Procedures](#) guidance.

With regard to conducting examinations, the focus before, during and after an exam will be:

- ✓ the welfare and safety of exam candidates and centre staff engaged in the conducting of examinations
- ✓ maintaining the integrity and security of the examinations/assessments process
- ✓ how to achieve an effective lockdown
- ✓ how to let people know what's happening
- ✓ training staff engaged/involved in the conducting of examinations
- ✓ STAY SAFE principles (Run, Hide, Tell)

2. Lockdown procedure

Before an examination

If a lockdown is required as candidates are entering/waiting to enter the exam room, the following procedure will be employed:

- ✓ A member of SLT will be present, whenever possible, around exam room areas
- ✓ Candidates will be instructed to enter the exam room immediately
- ✓ Candidates will be instructed to remain silent, hide under exam desks or sit against a wall/around a corner but not near the door
- ✓ Where safe/possible, the SLT member will communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on 'silent' mode)
- ✓ The exams officer will collate the information from all exam rooms and forward this to the head of centre immediately
- ✓ Invigilators will
 - lock all windows and close all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room

- take an attendance register/head count if possible
- (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room

During an examination

If a lockdown is required during the exam/when candidates are in the exam room, the following procedure will be employed:

- ✓ Invigilators will:
 - tell candidates to stop writing immediately and turn their papers over.
 - collect the attendance register
 - make a note of time when the examination was suspended
 - instruct candidates to remain silent, leave all examination materials on their desks and hide under exam desk
 - where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on 'silent' mode).
 - lock all windows and close all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- ✓ Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately
- ✓ The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services
- ✓ If appropriate, where safe/possible, and following centre policy, the exams officer (or invigilators in the absence of the exams officer) will initiate the emergency evacuation procedure
- ✓ The exams officer will collect all examination papers and materials for safe/secure storage following advice from the appropriate awarding bodies

After an examination

If a lockdown is required after the exam/as candidates are leaving the exam room, the following procedure will be employed:

- ✓ Invigilators will:
 - stop dismissing candidates from the exam room
 - instruct candidates who have left the room to re-enter the exam room
 - instruct candidates to remain silent and hide under examination tables
 - where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on 'silent' mode).
 - lock all windows and close all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the exam room
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room

- ✓ Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately

Ending a lockdown

- ✓ The lockdown will be ended by either
 - the sound of a defined alarm or
 - the identification/authorisation of Emergency Service officers/SLT/head of centre entering each exam room
- ✓ A specific word or phrase may be used to confirm that the instruction to end the lockdown is genuine
- ✓ Invigilators will undertake a head count/register and confirm attendance with the exams officer/SLT
- ✓ Where applicable and if advised to do so by SLT/ head of centre, and following JCQ guidelines, if there is sufficient time remaining, candidates may restart their examination
- ✓ Invigilators will then:
 - ask candidates to return to their desks, remind them they are under exam conditions and allow a settling down period
 - recalculate the revised finish time(s) to allow for the full exam time
 - tell the candidates to turn their papers over and re-start their exam
 - amend the revised finish time(s) on display to candidates
 - note how long the lockdown lasted on the exam room incident log (to later inform a report to the awarding bodies and where relevant, any centre-wide lockdown recording form/log)
- ✓ The exams officer will
 - provide a report of the incident for awarding bodies (via the special consideration process or as advised by awarding bodies)
 - safely/securely store all collected exam papers and materials pending awarding body advice/guidance
- ✓ Where applicable/possible/available, SLT/exams officer will
 - negotiate any alternative exam sittings with the awarding bodies
 - offer, arrange and provide support services to staff and candidates
- ✓ At the earliest opportunity, SLT/head of centre will prepare a communication to parents/carers advising them of events (including relevant actions and outcomes)
- ✓ Where possible, exams staff and candidates will be invited to attend an assembly led by the head of centre to discuss the lockdown and offer ongoing support
 - If this is not possible, communications will be provided via a centre text/email/newsletter and information uploaded to the centre website
