

WALLINGTON HIGH SCHOOL FOR GIRLS

The Wallington Week

HEIRS OF THE PAST, MAKERS OF THE FUTURE

Monday 9th December 2024

Message from the Headteacher

The diggers are in, and we saw the ground being dug up last week! We are excited that the building, which will be our new canteen, should be ready by Easter.

KS3 Disco – this was fun! Over 270 students turned up and danced and sang and enjoyed themselves whilst raising £2500 for the PFA and the school.

We celebrated our GCSE Prize giving last Wednesday. Our guest speaker Nadia Nagamootoo, an alumni (ex Wallingtonian), spoke fondly of her time here and spoke about the highs and lows of being a businesswoman and CEO of her own company. Congratulations to everyone who won special prizes and awards. We also took the opportunity to say thank you to Hamza Aumeer, who has been our school governor since 2002, and our Chair of Governors since 2017. Hamza has worked tirelessly in this role, and we will all miss him hugely.

Yr 13 parents' eve is tonight. And the student Festive Fair is this Friday at 3.30 in the gym.

You may have seen this, but here is a link to this year's 'BBC 100 Women' which celebrates those who – through their resilience – are pushing for change, as the world changes around them. The list also remains committed to exploring the impact of the climate emergency, highlighting climate pioneers who work to help their communities tackle its impacts.

This workshop will be led by our Education Welfare Officer, Aniké Clarke, who works for Cognus. It is for parents of students whose attendance is below 90% and finding it difficult to attend school on a regular basis. The aim of the workshop is to help parents develop a better understanding of how chronic absence can impact a child's achievement and to explore strategies for improving their child's attendance.

Year 9 TfL Workshop - Project Guardian

On Tuesday 3rd December, Year 9 had an informative travel safety talk by TfL in which we gained an understanding of how to travel safely across public transport. In this engaging travel safety talk, we learned many surprising statistics and were well educated in ways to keep safe whilst travelling. This workshop has complemented the work we have been doing in PSCE and has been extremely beneficial for the whole of Year 9.

New Kiln for the Art Department

The Art department are extremely grateful to the PFA for recently purchasing a new kiln, enabling students to create and fire much larger ceramic outcomes. Up until last term, students had been restricted in the size they could work with for their clay outcomes; we even had to cut some student pieces in half and glue back together after firing in our smaller, less efficient kiln which was far from ideal! We are delighted that more and more students are benefiting from having this new piece of equipment. Where would we be without the PFA?! Thank you so much.

Please also ensure that when dropping your child at school each day, you are respectful of our local residents by not blocking drives and roads or impacting others safety by parking or dropping off your child(ren) irresponsibly

Punctuality

Punctuality Good punctuality to both lessons and to school is expected of all students. We know that employers place great importance on punctuality and attendance, therefore it is important for our students to understand the value of being on time.

WHSG will issue same day, 20 min detentions for students that are late into school, without a valid reason or persistent lateness to classes. Parents and students will be notified as soon as possible of the detention and the reasoning by email.

We ask that parents support these actions as important processes for the school and understand that detentions cannot be moved for any after school clubs or enrichment events. Should a detention clash with a medical appointment, evidence will be requested for the school to show flexibility.
